## How Does Scrip Work?

Scrip allows families to raise money for the school on items they are already purchasing regularly. Scrip certificates are purchased by the school at a reduced rate, then sold to Hope Lutheran High School supporters for face value. For example, in a month a family may purchase the following scrip:

	<b>\$\$ Spent</b>	<b>\$\$ Earned</b>
Midtown Foods	\$150	\$7.50
Jefferson's	\$20	\$2.00
Kwik Trip	\$50	\$5.00
<b>Total Earned</b>		<b>\$14.50</b>
50% for School		\$7.25
50% for Family Designation		\$7.25

This family has just earned \$5.50 for the school to use and \$5.50 which they can use for tuition assistance or as otherwise indicated. They this on money they were already spending - it costs them nothing!
