SE MINNESOTA

6 - 8 Regional Honor Choir

Dear Colleagues,

We are excited to host the first annual Southeast Minnesota Junior High Honor Choir! This is a 6 - 8 grade honor choir hosted by Hope Lutheran High School in Winona, MN. All 6 - 8 students from around the region have the opportunity to be nominated for our inaugural mixed chorus (with intentions to add TB and SA in the future).

Students will spend the day immersed in high quality music and will learn skills applicable to all choral music such as expression, enunciation, vocal technique, and listening skills. The day will culminate in a performance of the pieces and skills learned throughout the morning and afternoon rehearsals.

There is no better way to inspire your students and create buy-in for your program than to show them what is possible. By bringing together a group of the best singers in the region, we will show your students just what can be achieved.

You will find a sample nomination letter accompanied with this poster. Please consider hanging this poster around your room to stir up interest! The nomination letter is designed as a tri-fold so the "You have been selected!" message sticks out when it's folded. We hope that you, your students, and their families are able to attend this year's honor choir!

Blessings,

Thomas K Johnson
